CISCO EQUIPMENT

The Cisco items listed below have been determined by the Bureau of Information and Telecommunications to be most used by State agencies. Alexander Open Systems' (AOS) 41% discount rate has been factored into the listed pricing. A complete listing of Cisco U.S. Global List Prices for all products and services can be found on Cisco's website <http://www.cisco.com/web/strategy/government/wsca/index.html>. Assistance on the registration process contact: Tony Tatone ttatone@cisco.com or request a quote from Brian Thomas with AOS brianth@aos5.com.

When entering items on the States accounting system (INFOR) that are not listed below please use item number 20464, include the Cisco model number, a short description and the price of the Cisco product(s) being requested.

All purchases made by State agencies, institutions and universities from this agreement must be routed through the Office of Procurement Management or as directed by the Bureau of Administration, and entered on the INFOR accounting system.

Terms and conditions of Cisco Participating Addendum under Western States Contracting Alliance (WSCA), and Cisco Networking Communications & Maintenance Master Agreement ("WSCA Master Agreement") apply.
