- 1. Contract Term:** The contracts established by this notice are exclusive to the listed contractor(s) for a period of three (3) months. The State may, after the original term of the contract(s) has expired, purchase comparable computer hardware from competing vendors if, in the State's sole discretion, it is in the State's best interests to do so. Prior to purchase from any competing vendor, the State will evaluate the competing vendor's product according to the specification scoring and contractor will be offered an opportunity to submit a lower price.
- 2. Extension:** After expiration of the original term, the contract(s) shall automatically extend and remain in effect until terminated in writing by either party, or in the event of a successful challenge by a competing vendor.
- 3. Pricing:** If any of the items awarded on the contract(s) decrease in price during the term of the contract, the contractor must contact the Office of Procurement Management in writing within seven (7) working days of the decrease(s). The State will receive full advantage of the price decrease(s) when it becomes effective. Failure to notify the Office of Procurement Management of price decreases may result in the cancellation of the contractor's contract and recovery of the overcharged amount from the contractor's performance bond. Price decreases are acceptable on invoice(s) presented for payment. If the open market price of a specific contract item is under the contractor's price, the State reserves the right to purchase the lower priced product.
- 4. Periodic Review:** The State of South Dakota will be conducting periodic reviews of market prices and changes in technology
- 5. Estimated Quantity:** The state does not guarantee the purchase of any minimum or maximum quantity during the term of the contract. The State reserves the right to purchase components for specific applications from different contractors.
- 6. Financial Stability:** Upon request, a contractor must furnish a list of their three largest customers. The State may contact these customers to determine a satisfaction level with the contractor's equipment and/or services. This list shall include the business name, contact person, mailing address, phone and fax number, and e-mail address. Upon request, the contractor must submit financial information to indicate the financial condition of the contractor's company. This information must consist of an audited balance sheet for the most recent fiscal year or other financial acceptable financial statement.
- 7. (1973), and under the antitrust laws of the State of South Dakota, SDCL 37-1, and amendments thereto, relating to the particular goods, services and materials purchased by the State of South Dakota in connection with this contract.

8. **Delivery:** All orders are F.O.B. destination with all transportation and handling charges paid by the contractor. Deliveries shall be made at such time, place and in such quantities as shown on the purchase order. All items in common usage are to be shipped within 30 days from the date of purchase order. An additional 10 days will be allowed for back-ordered items when notification is given, in writing, to the ordering agency that the items are not available for immediate delivery.
9. **Warranty Support:** As stated.
10. **Substitution:** Contractor **may not** substitute hardware or software components which differ from those supplied with the evaluation device in items they supply to the State of South Dakota, during the contract term, without the written consent of the Office of Procurement Management. All substitution items must be tested, evaluated, and approved before being included in the contract.
11. **Liquidated Damages:** The State will assess liquidated damages on deliveries that are not made in accordance with the schedule established herein. Damages will be in the amount of two percent (2%) of the purchase price per calendar day. Damages may be waived by the Office of Procurement Management Director if the contractor submits to the Director, and ordering agency, prior to the expiration of the delivery schedule established herein, written documentation that the failure to satisfy the contract delivery is due to the circumstances beyond the control of the contractor.
12. **Non-Discrimination Statement:** The State of South Dakota requires that all contractors, and suppliers doing business with any State agency, department, or institution, provide a statement of non-discrimination. By signing this contract, as required on page one, the contractor certifies they do not discriminate in its employment practices with regard to race, religion, age, sex, national origin or disability.

14. **State Agencies:** Item numbers and a brief description must be used when ordering from this contract.
15. **Contractor Information:** All delivery tickets, invoices and statements shall show the purchase order number, brand or trade name and State Item Number, when applicable, as shown in the contract.
